No public comment.

Commissioner Joiner motioned to accept and sign Amendment #16 Rosebud County Landfill Engineering Consulting Services with Barry Damschen Consulting, LLC for the period of January 1, 2014 thru December 31, 2014, in the amount of \$7,400.00. Commissioner Martens seconds the motion commenting that Mr. Damschen has been consulting for Rosebud County since 2003 and is doing a fine job, motion carried, 3 - 0.

Commissioner Joiner motioned to approve and sign Resolution #913 Prosecutorial Assistance in the case of State v. Bessie Wilson with the Attorney General's Office. Commissioner Martens seconds motion, stating that this case is being turned over to the AG due to a conflict with County Attorney, C. Kristine White, motioned carried, 3-0. Resolution as follows;

RESOLUTION #913

Whereas, the Rosebud County Attorney has requested prosecutorial assistance in the case of *State v. Bessie Wilson, Cause Number DC 2014-11*, and

Whereas, it is desired and deemed appropriate that a special deputy county attorney be appointed to assist in the prosecution of the aforementioned case, and

Whereas, Mont. Code Ann. § 44-4-111 authorizes and contemplates that the training coordinator for county attorneys and the bureau chief of Prosecution Services Bureau (together with the deputies within said bureau) act as special counsel on request of the county attorney and upon the approval of the board of county commissioners, and

Whereas, Mont. Code Ann. § 2-15-501(6) authorizes the Attorney General to provide assistance to county attorneys in the discharge of his or her duties.

It Is Hereby Resolved:

That the attorneys assigned to the Prosecution Services Bureau of the Department of Justice are hereby appointed as special deputy county attorneys for Rosebud County for the purpose of assisting in the prosecution of the aforementioned case and that any of said deputies can fulfill the functions set out in Mont. Code Ann. § 44-4-103.

It is Further Resolved:

That under the terms of this agreement, no fee will be charged for attorney time provided by the Bureau based upon the fact that pursuant to the internal operational policies adopted by the Attorney General September 1, 1999, assistance in such cases is provided without an hourly fee. Witness fees and expenses, jury costs, and other normal costs associated with trial will be the County's responsibility as with all other prosecutions.

Commissioner Martens motioned to approve and sign the Agreement for Transfer of Entitlements from Colstrip Airport to the Forsyth Airport in the amount of \$36,763.00, on the condition that the Federal Aviation Administration makes the funds available. PERMIT TERMS and CONDITIONS

1. Rosebud County Road Forman shall be notified a minimum of 48 hours prior to the start of construction or maintenance activities and shall be notified at the completion of construction.

- **2.** Rosebud County reserves the right to inspect the construction activities and to require correction of any deficiencies or nonconformance with this permit. Rosebud County may also require the removal of defective materials or workmanship at the permittee's expense.
- **3.** An approved encroachment permit is for the specific time, duration, place and type of construction or maintenance and does not, in any way, establish an easement or grant permission to encroach on private or publicly owned lands. Conflicts with previously installed underground utilities and other facilities, owned by others, is the sole responsibility of the permittee.
- **4.** The permittee is responsible for all traffic control signage, barricades, lighting and flaggers as outlined in the Manual of Uniform Traffic Control Devices.
- 5. Rosebud County shall be reimbursed for any materials, equipment, manpower or supplies supplied by the County.
- **6.** Below-grade encroachments shall be sleeved the full width of the road right-of-way to a depth not less than 6 feet below the surface to the top of the sleeve for the full width of the right-of-way, including the driving lanes, shoulders and borrow areas. Below-grade encroachments locations shall be clearly marked with permanent markers, as appropriate for the type of construction, upon completion of construction.

At-grade encroachments shall conform to all traffic safety, road design standards, drainage and intersection location requirements. Above-grade encroachments shall be constructed to maintain a minimum of 14 foot clearance for the full width of the road right-of-way, including driving lanes, shoulder and borrow areas. Support structures are not permitted in the road right-of-way.

- **7.** Site disturbances caused by construction or maintenance shall be restored to pre-construction conditions. Re-seeding of disturbed areas may be required by the Road Foreman.
- 8. Open trench construction methods shall not be permitted on paved roadways or on improved graveled roadways.
- **9.** Transport of cleated track or chained tired equipment across paved surfaces is expressly prohibited. Paved surfaces are to be protected by floats or pads.
- 10. Rosebud County reserves the right to restrict transport of construction equipment and materials based on seasonal road conditions.
- 11. Additional site specific conditions may be required as determined by the Road Foreman.
- 12. Permittee agrees to indemnify and hold harmless Rosebud County from any claims, damages or costs arising out of permitted activities either by damage to the road improvements or associated facilities or by inconvenience of the traveling public. Permittee further agrees to indemnify and hold harmless Rosebud County from any claims, damages or costs arising from future road maintenance, repair, and reconstruction activities or by road relocation conducted by Rosebud County.

Permittee shall provide a general sketch of proposed encroachment including location, orientation, size, dimensions and distances of existing roadway and other features and proposed encroachment. Engineered drawings may also be attached.

I agree to comply with all terms and conditions of this permit, industry design standards, accepted construction practices and applicable state and federal requirements for the proposed encroachment. This permit is valid for ______ months from date of issuance.
